LA PORTE - Police are looking for a burglar suspect involved in a Shell Training Facility heist out of La Porte, Texas.

Surveillance video shows the burglary happened in the 10800 block of West Fairmont Parkway on Nov. 9 around 10:40 p.m.

The suspect can be seen breaking in through a glass window and breaking several door handles inside the building, the La Porte Police Department says.

The suspect left in an older Chevrolet pickup truck with more than \$1,500 in electronics.

Though surveillance cams caught the burglar in action, the pictures do not provide any direct info for investigators to work with.

If you have any info, you are urged to contact La Porte PD's Criminal Investigations Division at 281-842-3173.
